

## Fill in the gaps

Well, you done done me and you bet I felt it	I've been spendin' way too long checkin' my tongue in the
I (1) to be chill but you're so hot that I melted	mirror
I fell right through the cracks, now I'm tryin to get back	and bendin' over backwards just to try to see it clearer
before the cool done run out I'll be givin it my bestest	But my breath fogged up the glass
and nothin's gonna stop me but divine intervention	and so I drew a new face and I laughed
I (2) it's again my turn to win some or learn	I guess what I'd be sayin' is there ain't no better reason
some	to rid yourself of vanities and just go with the seasons
But I won't hesitate no more,	it's what we aim to do
no more, it cannot wait	our name is our virtue
I'm yours	But I won't hesitate no more,
Well open up your mind and see like me	no more it cannot wait
open up your plans and damn you're free	I'm yours
look into your heart and you'll find love love love love	Well open up your mind and see (6) me
listen to the music of the (3) people dance	open up (7) plans and damn you're free
and sing	look into your heart and you will find that the sky is yours
We're just one big family	so please don't, please don't, please don't,
And it's our godintended right to be loved loved loved loved	there's no need to complicate,
loved	Cause our (8) is short
So, I won't hesitate no more,	This, this, (9) is our fate,
no more, it cannot wait I'm sure	I'm yours
there's no (4) to complicate our (5) is	
short	
this is our fate	
I'm yours	
*scat* do you want to come scootch on over dear,	
and i will nibble your ear, *scat*
