

## Fill in the gaps

I Promised Myself	No mistake, who can live without love
I promised I'd wait for you	I promise myself that i'd wait for you
The midnight hour	How many of us out there
I know you'll (1) on through	Feel the pain, of losing what was once there
I promised myself	God I know what people say about her
I promised the world to you	No mistake, who can live without love
I gave you flowers	I promised myself
You made my dreams come (2)	I promised I'd wait for you
How many of us out there	The midnight hour
Feel the need to run and (3) for shelter	I know you'll shine on through
I promised myself	I (5) myself
That I'd say a prayer for you	I promised the world to you
A brand new tomorrow	I (6) you flowers
Where all you wish comes true	You made my dreams come true
I promised myself	In the midnight hour I will wait for you
That I'd make it up to you	I will wait for you, I will wait for you
My sister and (4)	In the (7) hour I (8) wait for
Know I'm in love with you	you
How many of us out there	I will wait for you, I (9) wait for you
Feel the pain of losing what was once there	I promised myself
God I know what people say about her
