

## Fill in the gaps

I Promised Myself
I promised I'd wait for you
The midnight hour
I know you'll shine on through
I promised myself
I (1) the (2) to you
I gave you flowers
You made my dreams come true
How many of us out there
Feel the need to run and look for shelter
I promised myself
That I'd say a prayer for you
A brand new tomorrow
Where all you wish comes true
I promised myself
That I'd make it up to you
My sister and brother
Know I'm in (3) with you
How many of us out there
Feel the pain of losing what was once there

God I know what people say about her

No mistake, who can live without love	
promise (4) that i'd wait for you	
How many of us out there	
Feel the pain, of losing what was (5) the	nere
