

Fill in the gaps

I got your emails	She was with you, yeah
You just don't get females	Now, I (5) car
Now, do you?	About who, what or where
What's in my heart	We're through
Is not in your head	You'll have to cry me out
Anyway	You'll have to cry me out
Mate, you're too late	The tears that'll fall
And you weren't worth the wait	Mean nothing at all
Now, were you?	It's time to get over yourself
It's out of my hands	Baby, you ain't all that
Since you blew (1) last chance	Baby, there's no way back
When you played me	You can keep talking
You'll have to cry me out	But baby, I'm (6) awa
You'll have to cry me out	Gonna have to cry me out
The tears that'll fall	Gonna have to cry me out
Mean nothing at all	Boy, there ain't no doubt
It's (2) to get over yourself	Gonna have to cry me out
Baby, you ain't all that	Won't hurt a (7) bit
Baby, there's no way back	Boy, better get (8) to it
You can keep talking	You can (9) talking
But baby, I'm (3) away	But baby, I'm walking away
When I found out	You'll have to cry me out
How you messed me about	You'll have to cry me out
I was broken (heartbroken)	The tears that'll fall
Back then I believed you	Mean nothing at all
Now, I don't need you	It's (10) to get over yourself
No more	You'll Have to cry me out
The pic on (4) phone	You'll Have to cry me out
Proves you weren't alone
