Fill in the gaps

I saw him dancing there by the record machine	Singing I love rock and roll
I (1) he (2) have been about seventeen	So put another dime in the jukebox, baby
The beat was going strong, playing my favorite song	I love rock and roll
And I could tell it wouldn't be long 'til he was with me, yeah me	So come and take your time and dance with me
I (3) tell it wouldn't be (4) 'til he was	I love rock and roll
with me, yeah me	So put another dime in the jukebox, baby
Singing I love rock and roll	I love rock and roll
So put (5) dime in the jukebox, baby	So come and take your time and dance with
I (6) rock and roll	I love rock and roll
So come and take your time and dance with me	So put another dime in the jukebox, baby
Ow!	I love rock and roll
He (7) so I got up and asked for his name	So come and take your time and dance with
But that don't matter he said 'cause it's all the same	I love rock and roll
He said, "Can I take ya home where we can be	So put another dime in the jukebox, baby
alone?"	l love (9) and roll
And next we're moving on, he was with me, yeah me	So come and take your time and dance with
Next we were movin' on, he was with me, yeah me	I love rock and roll
Singing I love rock and roll	So put (10) dime in the jukebox, baby
So put another dime in the jukebox, baby	I love rock and roll
I love rock and roll	So come and take your time and dance with me
So come and take your (8) and dance with me	
Ow!	
He said, "Can I take ya home where we can be	
alone?"	
Next we're moving on, he was with me, yeah me
