

## Fill in the gaps

Your a cruel device	I (4) love you but I better not touch
Your blood, like ice	(Don't touch)
One look, could kill	I wanna hold you, but my senses tell me to stop
My pain, your thrill	I wanna kiss you but I (5) it too much
I wanna love you but I better not touch	(Too much)
(Don't touch)	I wanna taste you but your lips are venomous poison
I wanna hold you, but my senses tell me to stop	You're poison running through my veins
I wanna kiss you but I want it too much	You're poison I don't (6) break these chains,
(Too much)	poison
I wanna taste you but (1) lips are venomous poison	(Poison)
You're poison running through my veins	I wanna love you but I better not touch
You're poison I don't (2) break these chains	(Don't touch)
Your mouth, so hot	I wanna hold you, but my senses tell me to stop
Your web, I'm caught	I wanna kiss you but I (7) it too much
Your skin, so wet	(Too much)
Black lace, on sweat	I wanna taste you but (8) lips are venomous poison
I hear you calling and it's needles and pins	Yeah, well I don't wanna break these chains, poison
(And pins)	(Poison)
I (3) hurt you just to hear you screaming my	Runnin' deep inside my veins
name	Burnin' deep inside my brain, poison
Don't wanna touch you but you're under my skin	(Poison)
(Deep in)	I don't wanna (9) these chains
I wanna kiss you but your lips are venomous poison	(Poison)
You're poison running through my veins	(Poison)
You're poison I don't wanna break these chains, poison	Poison
One look	I don't (10) break these chains
(One look)	
Could kill
