I kept the right ones out and let the wrong ones in	And I just can't tell just what tomorrow brings
Had an angel of mercy to see me through all my sins	You have to learn to crawl before you learn to walk
There were times in my life (1) I was goin' insane	But I just couldn't listen to all that righteous talk
Tryin' to walk through the pain	I was out on the street, just tryin' to survive
And when I lost my (2) and I hit the floor	Scratchin' to stay alive
Yeah, I tought I could leave but couldn't get out the door	It's amazing with the blink of an eye you finally see the light

I was wishing that I would die	you'll be alright
It's amazing (3) the blink of an eye you finally see	Oh, it's amazing and I'm (10) a prayer for the
the light	desperate hearts tonight
It's (4) that (5) the moment	Desperate hearts, desperate hearts
arrives (6) you know you'll be alright	To all of you people out there wherever you are
Yeah, It's amazing and I'm saying a prayer to the desperate	Remember the light at the end of the tunnel may be you -
hearts tonight	goodnight
That one last shot's a (7) vacation	
And a how (8) can you fly with broken
