

White Flag by Dido

Fill in the gaps

I know you think that I shouldn't (1)_____ love you
I tell you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that?
I promise I'm not trying to make your life harder
Or return to where we were
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in (2)_____ and (3)_____ will be
I know I left too much mess
And destruction to come back again
That I cause (4)_____ but trouble
I understand if you can't talk to me again
And if you live by the rules of "It's over"
Then I'm (5)_____ that (6)_____ makes sense
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag (7)_____ my door
I'm in love and always will be
And when we meet
Which I'm sure we will
all that was there
Will be there still
I'll let it pass

And hold my tongue
And you will think
That I've moved on
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no (8)_____ flag above my door
I'm in love and always will be
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
