

Fill in the gaps

I know you think that I shouldn't still love you	And hold my tongue
I tell you that	And you will think
But if I didn't say it	That I've moved on
Well, I'd still have (1) it	Well I will go (17) with this ship
Where's the sense in that?	And I won't put my (18) up and surrender
I promise I'm not trying to make (2) (3)	There (19) be no (20) flag above my
harder	door
Or return to (4) we were	I'm in love and always will be
Well I will go down with this ship	Well I (21) go down with (22) ship
And I won't put my hands up and surrender	And I won't put my hands up and surrender
There will be no white flag (5) my door	There will be no white (23) (24) my
I'm in (6) and always will be	door
I know I left too much mess	I'm in love and always will be
And destruction to come back again	I (25) go down with this ship
That I cause (7) but trouble	And I won't put my hands up and surrender
I (8) if you can't (9) to	There will be no white flag (26) my door
me again	I'm in love and always will be
And if you live by the rules of "It's over"	
Then I'm sure that that makes sense	
Well I (10) go down (11) this ship	
And I won't put my hands up and surrender	
There (12) be no white flag (13) my	
door	
I'm in (14) and always will be	
And (15) we meet	
Which I'm sure we will	
all that was there	
Will be (16) still	
I'll let it pass
