I know just now to whisper,	Are streaming through the waves in your hair;
And i know just how to cry;	And every star in the sky is (16) aim
I know just where to find the answers;	At your eyes (17) a spotlight,
And i know just how to lie.	The (18) of my heart is a drum, and it's lost
I know (1) how to fake it,	And it's looking for a rhythm (19) you.
And i (2) just how to scheme;	You can take the darkness from the pit of the night
I (3) just when to face the truth,	And turn into a beacon (20) endlessly
And then i know just when to dream.	bright.
And i know (4) where to touch you,	I've got to follow it, 'cause (21) i
And i (5) just what to prove;	know, well it's (22) till i (23) it to
I (6) when to pull you closer,	you.
And i know when to let you loose.	I can make the run or stumble,
And i (7) the night is fading,	I can make the (24) block;
And i know that time's gonna fly;	And i can make every tackle, at the sound of the whistle,
And i'm never gonna tell you everything	I can make all the stadiums rock.
I've got to tell you,	I can make tonight forever,
But i know i've got to give it a try.	Or i can make it disappear by the dawn;
And i know the roads to riches,	And i can make you every promise that has ever
And i know the ways to fame;	(25) made,
I (8) all the rules	And i can make all your demons be gone.
And then i (9) how to (10) 'em	But i'm never gonna (26) it without you,
And i always (11) the (12) of the game.	Do you really want to see me crawl?
But i don't know how to leave you,	And i'm never (27) make it like you do,
And i'll (13) let you fall;	Making love out of nothing at all.
And i don't know how you do it,	(making love)
Making (14) out of nothing at all	Out of nothing at all
(making love)	(making love)
Out of nothing at all,	Out of nothing at all
(making love)	(making love)
Out of nothing at all,	Out of nothing at all
(making love)	(making love)
Out of nothing at all,	Out of nothing at all
(making love)	(making love)
Out of nothing at all,	Out of nothing at all
(making love)	(making love)
