My Favourite Game by The Cardigans

you haven't found it baby that's for sure
You rip me up and spread me all around
in the dust of the deed of time
And this is not a case of lust you see
it's not a matter of you (1) of me
It's fine the way you want me on your own
but in the end it's always me alone
And I'm (2) my favourite game
you're losing your mind again
I'm losing my babay
losing my favourite game
I only know (3) I've been working for
another you so I (4) love you more
I really (5) that I could take you there
I really (5) that I could take you there but my experiment is not getting us anywhere
but my experiment is not getting us anywhere
but my experiment is not getting us anywhere I had a vision I could turn you right
but my experiment is not getting us anywhere I had a vision I could turn you right a (6) mission and a lethal fight
but my experiment is not getting us anywhere I had a vision I could turn you right a (6) mission and a lethal fight I should have seen it when my hope was new
but my experiment is not getting us anywhere I had a vision I could turn you right a (6) mission and a lethal fight I should have seen it when my hope was new my heart is black and my body is blue
but my experiment is not getting us anywhere I had a vision I could turn you right a (6) mission and a lethal fight I should have seen it when my hope was new my heart is black and my body is blue And I'm (7) my favourite game
but my experiment is not getting us anywhere I had a vision I could turn you right a (6) mission and a lethal fight I should have seen it when my hope was new my heart is black and my body is blue And I'm (7) my favourite game you're (8) your mind again
but my experiment is not getting us anywhere I had a vision I could turn you right a (6) mission and a lethal fight I should have seen it when my hope was new my heart is black and my body is blue And I'm (7) my favourite game you're (8) your mind again I'm losing my favourite game
