

Fill in the gaps

Come and hold my hand	Running through my veins
I wanna (1) the living	Going to waste
Not sure I understand	And I need to feel
This role I've (2) given	Real (12) and the (13) ever after
I sit and (3) to God	I can not get enough
And he just laughs at my plans	I (14) wanna feel
My head speaks a language	Real love feel the home that I (15) in
I don't understand	I got too much love
I just wanna feel	Running through my veins
Real love feel the home that I live in	To go to waste
Cos I got too much life	I (16) wanna feel
Running through my veins	Real (17) and the love ever after
Going to waste	There's a (18) in my soul
I don't (4) die	You can see it in my face
But I ain't (5) on (6) either	It's a real big place
Before I fall in love	Come and (19) my hand
I'm (7) to leave her	I (20) contact the living
Scare myself to death	Not sure I understand
That's why I keep on running	This role I've been given
Before I've arrived	Not sure I understand
I can see myself coming	Not (21) I understand
I (8) (9) feel	Not sure I understand
Real (10) feel the (11) that I live in	Not (22) I (23)
Cos I got too much life
