

## Fill in the gaps

You are the flame in my heart	You belong to me too
You light my way in the dark	You (13) my (14) complete
You are the ultimate star	You (15) me feel so sweet
You (1) me (2) up above	Oh I (16) to you
Your unconditional love	I belong to you
Takes me to paradise	And you, you
I (3) to you	You (17) to me too
And you	You make my life complete
You belong to me too	You make me (18) so sweet
You make my life complete	Oh I (19) to you
You (4) me feel so sweet	I belong to you
You make me feel so divine	And you, you
Your (5) and (6) are entwined	You belong to me too
Before you I was blind	You make my life complete
But (7) I've opened my eyes	You make my (20) complete
And with you there's no disguise	You make me feel so sweet
So I could open up my mind	Oh I (21) to you
I always loved you (8) the start	I (22) to you
But I (9) not figure out	And you, and you
That I had to do it everyday	You belong to me too
So I put (10) the fight	You make my (23) complete
Now I'm gonna (11) my life	You make my life complete
Giving you the most in (12) way	You (24) me feel so sweet
I belong to you	
And you
