

Fill in the gaps

Chiquitita, (1) me what's wrong	Sing a new song, chiquitita
You're enchained by your own sorrow	So the walls came tumbling down
In your eyes (2) is no hope for tomorrow	And your (7) a blown out candle
How I hate to see you like this	All is gone and it seems too hard to handle
There is no way you can deny it	Chiquitita, tell me the truth
I can see that you're oh so sad, so quiet	There is no way you can deny it
Chiquitita, tell me the truth	I see that you're oh so sad, so quiet
I'm a shoulder you can cry on	Chiquitita, you and I know
Your best friend, I'm the one you (3) rely on	How the heartaches come and they go and the scars they're
You were (4) sure of yourself	leaving
Now I see you've broken a feather	You'll be dancing once (8) and the pain
I hope we can patch it up together	(9) end
Chiquitita, you and I know	You will have no time for grieving
How the heartaches come and they go and the scars they're	Chiquitita, you and I cry
leaving	But the sun is still in the sky and shining above you
You'll be dancing once again and the pain will end	Let me hear you sing once more like you did before
You will have no time for grieving	Sing a new song, chiquitita
Chiquitita, you and I cry	Try (10) more like you did before
But the sun is still in the sky and shining (5) you	Sing a new song, chiquitita
Let me (6) you sing once more like you did before	Try once more like you did before
Sing a new song, chiquitita	Sing a new song, chiquitita
Try once more like you did before
