

Fill in the gaps

Chiquitita, tell me what's wrong	Sing a new song, chiquitita
You're (1) by your own sorrow	So the (14) came tumbling down
In your eyes there is no (2) for tomorrow	And your (15) a (16) ou
How I hate to see you (3) this	candle
There is no way you can deny it	All is gone and it (17) too hard to handle
I can see that you're oh so sad, so quiet	Chiquitita, tell me the truth
Chiquitita, tell me the truth	There is no way you can deny it
I'm a shoulder you can cry on	I see that you're oh so sad, so quiet
Your best friend, (4) the one you must rely on	Chiquitita, you and I know
You (5) (6) sure of yourself	How the (18) come and they go and
Now I see (7) (8) a	the scars (19) leaving
feather	You'll be dancing (20) again and the
I hope we can patch it up together	(21) will end
Chiquitita, you and I know	You will have no (22) for grieving
How the heartaches come and they go and the scars they're	Chiquitita, you and I cry
leaving	But the sun is still in the sky and shining above you
You'll be (9) once again and the pain	Let me (23) you sing (24) more like you
(10) end	did before
You will have no time for grieving	Sing a new song, chiquitita
Chiquitita, you and I cry	Try once (25) like you did before
But the sun is still in the sky and shining above you	Sing a new song, chiquitita
Let me (11) you sing once (12) like you	Try once more like you did before
did before	Sing a new song, chiquitita
Sing a new song, chiquitita	
Try once more (13) you did before
