Woman In Love by Barbra Streisand

Life is a moment in space	You (12) my love, I near what you say
When the dream is gone, it's a lonelier place	No truth is ever a lie
kiss the morning goodbye	I stumble and fall, but I give you it all
But down inside, you know we (1) (2)	I am a (13) in love
why	And I'd do anything to get you into my world and hold you
The road is narrow and long	within
When eyes (3) eyes and the (4)	It's a right, I defend, over and (14) again
s strong	What do I do?
turn away from the wall	Ohh, I am a woman in love and I'm talking to you
stumble and fall, but I (5) you it all	I (15) how you feel, what a woman can do
am a (6) in love	It's a right, I defend, over and over again
And I'd do anything to get you into my world and hold you	I am a woman in love
within	And I'd do (16) to get you into my world
t's a right, I defend, over and (7) again	and (17) you within
What do I do?	It's a right, I defend, over and (18) again
Nith you (8) mine	
n love there is no measure of time	
We planned it all at the start	
That you and I (9) in (10) other's heart	
We may be (11) away
