Woman In Love by Barbra Streisand

Life is a moment in space	You feel my love, I hear (5) you say
When the dream is gone, it's a (1) place	No (6) is ever a lie
I (2) the morning goodbye	I (7) and fall, but I (8) you it all
But down inside, you know we never know why	I am a woman in love
The road is narrow and long	And I'd do anything to get you into my world and hold yo
When eyes meet eyes and the feeling is strong	within
I turn away from the wall	It's a right, I defend, over and over again
I stumble and fall, but I give you it all	What do I do?
I am a woman in love	Ohh, I am a woman in love and I'm talking to you
And I'd do anything to get you into my world and hold you	I know how you feel, what a woman can do
within	It's a right, I defend, (9) and over again
It's a right, I defend, over and (3) again	I am a woman in love
What do I do?	And I'd do anything to get you into my world and hold yo
With you eternally mine	within
In love there is no measure of time	It's a right, I defend, over and (10) again
We (4) it all at the start	
That you and I live in each other's heart	
We may be oceans away
