

## Fill in the gaps

| i thought, i saw a man brought to life           |
|--|
| He was warm, he came around and he was dignified |
| He showed me (1) it was to cry                   |
| Well, you couldn't be that man I adored          |
| You don't seem to know                           |
| Seem to care what your heart is for              |
| But I don't (2) him anymore                      |
| There's nothing where he used to lie             |
| The conversation has run dry                     |
| That's what's going on                           |
| Nothing's fine, I'm torn                         |
| I'm all out of faith                             |
| This is how I feel                               |
| I'm cold and I am shamed                         |
| Lying naked on the floor                         |
| Illusion never changed                           |
| Into something real                              |
| I'm wide awake and I can see                     |
| The perfect sky is torn                          |
| You're a little late, I'm already torn           |
| So I guess the fortune teller's right            |
| Should have (3) just what was there              |
| And not (4) holy light                           |
| It crawled beneath my veins                      |
| And now I don't care, I had no luck              |
| I don't miss it all that much                    |
| There's just so many things                      |
| That I can touch, I'm torn                       |

I'm all out of faith

| This is how I feel                           |
|--|
| I'm cold and I am shamed                     |
| Lying naked on the floor                     |
| Illusion never changed                       |
| Into (5) real                                |
| I'm (6) awake and I can see                  |
| The (7) sky is torn                          |
| You're a little late, I'm already torn, torn |
| There's nothing where he used to lie         |
| My inspiration has run dry                   |
| That's what's going on                       |
| Nothing's right, I'm torn                    |
| I'm all out of faith                         |
| This is how I feel                           |
| I'm cold and I am shamed                     |
| Lying (8) on this floor                      |
| Illusion never changed                       |
| Into something real                          |
| I'm wide (9) and I can see                   |
| The perfect sky is torn                      |
| I'm all out of faith                         |
| This is how I feel                           |
| I'm cold and I'm ashamed                     |
| Bound and broken on the floor                |
| You're a little late, I'm already torn, torn |
