You and me	Don't tell me cause it hurts
We used to be together	It's all ending
Everyday together always	I gotta (6) pretending who we are
I really feel	You and me I can see us dyingare we?
That I'm losing my best friend	Don't speak
I can't believe	I know just what you're saying
This could be the end	So please stop explaining
It (1) go	Don't tell me (7) it hurts (no, no, no)
And if it's real	Don't speak
Well I don't want to know	I know what you're thinking
Don't speak	I don't need your reasons
I know (3) what you're saying	Don't tell me cause it hurts
So please stop explaining	Don't tell me cause it hurts!
Don't tell me cause it hurts	I (8) what you're saying
Don't speak	So (9) stop explaining

Our memories	oh I know what you're thinking
Well, they can be inviting	And I don't need your reasons

Mighty frightening	I know you're good,
As we die, both you and I	I know you're real (10)
