Change The World by Eric Clapton

If I could reach the stars	That I can (12) the world
I'll (1) one down for you	I (13) be the (14) in you
Shine it on my heart	universe
So you could see the truth	You would think my (15) would really something
And then love inside	good
Is (2) it seems	Baby if I (16) change the world
But for now I find	Baby if I could change the world
It's only in my dreams	I (17) (18) the world
If I can (3) the world	I would be the (19) in your universe
I (4) be the (5) in	You would think my love would really something good
(6) universe	Baby if I could, if I (20) (21) the
You (7) think my (8) would really	world
something good	If I could, If I could
Baby if I could change the world	If I could (22) the world
If I were a King	If I could, if I could
Even for a day	If I (23) change the world
I'd (9) you around my queen	If I could, if I could
I'd (10) it no other way	If I (24) change the world
And our love would rule	If I could change, if I could (25) the world
This kingdom we have made	
Till (11) I'd be a fool	
Wishin' for the day
