

Fill in the gaps

I guess this time you're really leaving	I (5) you (6) we're had some good
I heard (1) suitcase say goodbye	times
And as my broken heart lies bleeding	How they have their own hiding place
You say true love in suicide	I can promise you tomorrow
You say you're cried a thousand rivers	But I can't buy back yesterday
And now you're swimming for the shore	And Baby you know my hands are dirty
You left me drowning in my tears	But I wanted to be your valentine
And you won't save me anymore	I'll be the (7) (8) you get thirsty, baby
Now I'm (2) to God you'll (3) me	When you get drink, I'll be the wine
one more chance, girl	Chorus
Chorus:	Solo
I'll be there for you	And I wasn't there when you (9) happy
These five words I swear to you	I wasn't there when you (10) down
When you (4) I want to be the air for you	I didn't mean to miss your birthday, baby
I'll be there for you	I wish I'd seen you blow those candles out
I'd live and I'd die for you	Chorus
Steal the sun from the sky for you	
Words can't say what a love can do	
I'll be there for you
