## Big Girls Don't Cry by Fergie

And big girls don't cry

Like the little school mate in the school yard

The (1) of (2) skin lingers on me now	We'll (7) jacks and Uno cards
You're probably on your flight (3) to your home	I'll be your best friend and you'll be mine
town	Valentine
I need some shelter of my own protection, baby	Yes, you can hold my hand if you want to
To be with myself and center	'Cause I want to hold yours too
Clarity, peace, serenity	We'll be playmates and lovers
I hope you know, I hope you know	And share our secret worlds
That this has nothing to do with you	But it's time for me to go home
It's personal, (4) and I	It's getting late, dark outside
We've got (5) straightenin' out to do	I need to be with myself, and center
And I'm gonna miss you (6) a child misses their	Clarity, peace, serenity
blanket	I hope you know, I hope you know
But I've got to get a move on with my life	That this has nothing to do with you
It's time to be a big girl now	It's personal, myself and I
And big girls don't cry	We've got some straightenin' out to do
Don't cry, don't cry, don't cry	And I'm gonna miss you like a child misses their blanket
The path that I'm walkin', I must go alone	But I've got to get a move on with my life
I must take the baby steps 'til I'm full grown, full grown	It's time to be a big girl now
Fairy tales don't always have a happy ending, do they?	And big girls don't cry
And I foresee the dark ahead if I stay	Don't cry, don't cry, don't cry
I hope you know, I hope you know
