I Love You by Celine Dion

I must be crazy now
Maybe I dream too much
But (1)_____ I think of you
I long to feel your touch
To whisper in your ear
Words that are old as time
Words only you would hear
If (2)_____ you (3)_____ mine
I wish I (4)_____ go (5)_____ to the very first day
I saw you
Should've made my move when you looked in my eyes
'Cause by now I know that you'd (6)_____ the way
(7)_____ I do
And I'd whisper these (8)_____ as you'd lie here by my side
I love you, please say
You (9)_____ me too, these three words
They could (10)_____ our lives forever
And I promise you that we will always be together
Till the end of time
So today, I finally find the (11)_____ deep inside
Just to walk (12)_____ up to your door
But my body can't move when I finally get to it
Just (13)_____ a thousand (14)_____ before
Then without a word he handed me this letter
Read I (15)_____ (16)_____ finds the way into your heart, it said
I love you, please say
You love me too, these (17)_____ words
They could change our lives forever
And I promise you (18)_____ we (19)_____ always be together

Till the end of time
Well (20)_____ I, I need a little love yeah
And maybe I, I need a little care
And maybe I, maybe you, maybe you, (21)_____ you
Oh you need somebody just to hold you
If you do, just reach out and I'll be there
I love you, please say
You love me too
Please say you love me too
Till the end of time
These (22)_____ words
They could change our (23)_____ forever
And I (24)_____ you that we will always be together
Oh, I love you
Please say you (25)_____ me too
Please please
Say you love me too
Till the end of time
My baby
Together, together, forever
Till the end of time
I love you
I will be your light
Shining bright
Shining through your eyes
My baby
