

Fill in the gaps

I (1) be crazy now	Till the end of time
Maybe I dream too much	Well (21) I, I need a little love yeah
But when I (2) of you	And maybe I, I need a little care
I long to feel your touch	And maybe I, maybe you, maybe you, (22) you
To whisper in your ear	Oh you need somebody just to (23) you
Words (3) are old as time	If you do, (24) reach out and I'll be there
Words (4) you would hear	I love you, please say
If only you (5) mine	You love me too
I wish I could go (6) to the very first day I saw you	Please say you love me too
Should've (7) my move when you looked in my	Till the end of time
eyes	These three words
'Cause by now I know that you'd feel the way (8) I	They (25) change our lives forever
do	And I promise you that we will always be together
And I'd whisper (9) words as you'd lie here by	Oh, I love you
my side	Please say you love me too
I love you, please say	Please please
You love me too, these three words	Say you love me too
They (10) change our lives forever	Till the end of time
And I (11) you (12) we will	My baby
(13) be together	Together, together, forever
Till the end of time	Till the end of time
So today, I finally find the courage deep inside	l (26) you
Just to walk (14) up to your door	I (27) be your light
But my body can't move (15) I finally get to it	Shining bright
Just like a thousand times before	Shining (28) your eyes
Then without a word he handed me (16) letter	My baby
Read I hope this finds the way into (17) heart, it	
said	
I (18) you, (19) say	
You love me too, these three words	
They could (20) our lives forever	
And I promise you that we will always be together
