

## Fill in the gaps

I must be crazy now	Till the end of time
Maybe I dream too much	Well maybe I, I need a little love yeah
But when I (1) of you	And maybe I, I need a little care
I long to feel your touch	And maybe I, maybe you, maybe you, maybe you
To whisper in (2) ear	Oh you need somebody just to hold you
Words that are old as time	If you do, just reach out and I'll be there
Words only you would hear	I love you, (7) say
If only you were mine	You love me too
I wish I could go (3) to the very first day I saw you	Please say you love me too
Should've made my move when you looked in my eyes	Till the end of time
'Cause by now I know that you'd feel the way that I do	These three words
And I'd whisper these words as you'd lie here by my side	They (8) change our lives forever
I love you, please say	And I (9) you that we will
You love me too, these three words	(10) be together
They (4) change our lives forever	Oh, I love you
And I promise you that we will always be together	Please say you love me too
Till the end of time	Please please
So today, I finally find the courage deep inside	Say you love me too
Just to walk right up to your door	Till the end of time
But my body can't move when I finally get to it	My baby
Just like a thousand (5) before	Together, together, forever
Then without a word he handed me this letter	Till the end of time
Read I hope this finds the way into (6) heart, it said	I love you
I love you, please say	I will be your light
You love me too, these three words	Shining bright
They could change our lives forever	Shining through your eyes
And I promise you that we will always be together	My baby
