## You're Still The One by Shania Twain

(When I first saw you, I saw love.	(You're (6) the one)
And the first time you touched me, I felt love.	You're still the one that I love
And after all this time, you're still the one I love.)	The only one I dream of
Looks like we made it	You're still the one I kiss (7) night
Look how far we've (1) my baby	Ain't nothin' better
We mighta took the long way	We beat the odds together
We (2) we'd get there someday	I'm glad we didn't listen
Bridge:	Look at what we would be missin'
They said, & amp; quot; I bet they'll never make it & amp; quot;	Repeat Bridge
But just (3) at us holding on	Chorus 2x
We're still together still (4) strong	I'm so glad we made it
Chorus:	Look how far we've come my baby
(You're still the one)	
You're still the one I run to	
The one (5) I belong to	
You're the one I want for life
