

Fill in the gaps

At first, I was afraid, I was petrified	Go on now, go, (6) out the door, just turn around
Kept thinking, I could never (1) without you by my	now
side	'Cause you're not welcome anymore
But then I spent so many nights thinking, how you did me	Weren't you the one, who tried to (7) me with
wrong	goodbye
And I grew strong and I learned how to get along	Did you think I'd crumble? Did you think I'd lay down and die?
And so you're back from outer space	Oh, no, not I, I will survive
I just walked in to find you here with that sad (2)	Oh, as (8) as I know how to love, I know I'll stay
upon your face	alive
I should have changed that stupid lock	I've got all my life to live, I've got all my love to give
I should have made you leave your key	And I'll survive, I will survive, oh
If I'd known for just one second you'd be back to bother me	Go on now, go, walk out the door, just turn around now
Go on now, go, walk out the door, just turn around now	'Cause you're not welcome anymore
'Cause you're not welcome anymore	Weren't you the one, who tried to break me with goodbye
Weren't you the one, who tried to hurt me with goodbye?	Did you think I'd crumble? Did you think I'd lay down and die?
Did you think I'd crumble? Did you think I'd lay down and die?	Oh, no, not I, I will survive
Oh, no, not I, I will survive	Oh, as (9) as I (10) how to love, I know
Oh, as long as I know how to love, I know I'll stay alive	I'll stay alive
I've got all my life to live, I've got all my love to give	I've got all my life to live, I've got all my love to give
And I'll survive, I will survive, hey, hey	And I'll survive, I will survive, I will survive
It took all the (3) I had not to fall apart	
Kept trying (4) to mend the pieces of my broken	©BIBO MUSIC PUBLISHERS
heart	
And I spent, oh, so many (5) just feeling sorry	©PERREN-VIBES MUSIC INC
for myself	
I used to cry but now I hold my head up high	
And you see me, somebody new	
I'm not that chained up little person still in love with you	
And so you felt like dropping in and just expect me to be free	
But now I'm saving all my loving for someone who's loving me	

- 1. live
