## One Moment In Time by Whitney Houston

| Each day I live, I want to be               | And the answers are all up to me                                |
|---|---|
| A day to give the best of me                | Give me one moment in time                                      |
| 'm only one, but not alone                  | When I'm racing with destiny                                    |
| My finest day is yet unknown                | Then in that one moment of time                                 |
| broke my heart for every gain               | I (4) feel, I will feel eternity                                |
| To taste the sweet, I faced the pain        | You're a winner for a lifetime                                  |
| (1) and fall, yet through it all            | If you seize that one moment in time, make it shine             |
| This much remains                           | Give me one moment in time                                      |
| want one moment in time                     | When I'm (5) (6) I thought I could be                           |
| When I'm more than I thought I could be     | When all of my dreams are a (7) beat away                       |
| When all of my dreams are a heart beat away | And the answers are all up to me                                |
| And the answers are all up to me            | Give me one moment in time                                      |
