There Is A Light That Never Goes Out by The Smiths

rake me out tonight	And in the darkened underpass
Where there's music and there's people	I thought, oh, God, my chance has (5) at last
And they're young and alive	But then a (6) fear gripped me and I just
Driving in your car	couldn't ask
I never never want to go home	Take me out tonight
Because I haven't got one	Oh, (7) me anywhere
Anymore	I don't care, I don't care, I don't care
Take me out tonight	Driving in your car
Because I want to see people	I never (8) want to go home
And I (1) to see life	Because I haven't got one, no no no
Driving in your car	Oh, I haven't got one
Oh, please don't drop me home	And if a double-decker bus crashes into us
Because it's not my home, it's (2) home	To die by (9) side is such a
And I'm welcome no more	(10) way to die
And if a double-decker bus crashes into us	And if a ten-ton truck (11) the both of us
To die by (3) side is such a heavenly way to die	To die by your side, well, the pleasure, the privilege is mine
And if a ten-ton truck kills the (4) of us	Oh, there is a light and it (12) goes out
To die by your side, well, the pleasure, the privilege is mine	There is a (13) and it never (14) out
Take me out tonight	There is a light and it never goes out
Take me anywhere	
I don't care, I don't care, I don't care
