

Fill in the gaps

There's talk on the street, it sounds so familiar
Great expectations, everybody's watching you
People you meet they all seem to (1) you
Even your old friends treat you like you're something new
Johnny come lately, the new kid in town
Everybody loves you so don't let (2) down
You look in her eyes, the music begins to play
Hopeless romantics, here we go again
But after a while you're looking the other way
It's those restless hearts that never mend
Johnny (3) lately, the new kid in town
Will she still love you when you're not around?
There's so many things you should have told her
But night (4) night you're willing to hold her, just
hold her
Tears on your shoulder
There's talk on the street, it's (5) to remind you
That it doesn't really (6) which side you're on
You're walking away and they're talking behind you
They (7) never forget you till somebody new
(8) along
Where you been lately? There's a new kid in town
Everybody loves him, don't they?

And he's holding her and you're still around, oh my my There's a new kid in town Just another new kid in town Everybody's talking 'bout the new kid in town Everybody's walking like the new kid in town There's a new kid in town I don't want to (9)_____ it There's a new kid in town I don't want to hear it There's a new kid in town There's a new kid in town There's a new kid in town Everybody's talking There's a new kid in town People started walking There's a new kid in town There's a new kid in town There's a new kid in town
