

## Fill in the gaps

I don't want this moment to ever end	With everything I won't let this go, these words are my heart
Where everything's (1)	and soul
(2) you	I'll (12) on to this moment you know, 'cause I'll
I'll (3) here forever (4) to, to see you	bleed my heart out to show
smile	And I won't let go
'Cause it's true, I am nothing without you	In (13) of (14) eyes, it falls from the
Through it all, I made my mistakes	skies
I (5) and fall, but I (6)	When you don't (15) what you're looking to find
(7) words	In front of (16) eyes, it falls from the skies
I want you to know	When you (17) never know (18) you will
With everything I won't let this go, these words are my heart	find (what you (19) find)
and soul	I don't want this (20) to ever end
I'll (8) on to this moment you know, 'cause I'll bleed	Where everything's (21)
my heart out to show	(22) you
That I won't let go	I want you to know
Thoughts read unspoken, forever in doubt	With everything I won't let this go, (23) words
Pieces of memories fall to the ground	are my heart and soul
I know (9) I didn't have so, I won't let this go	I'll hold on to (24) moment you know, 'cause I'll
'Cause it's true, I am nothing without you	(25) my heart out to show
All the streets (10) I walked alone, with nowhere	that I won't let go (I want you to know)
to go	With everything I won't let this go, these (26) are
have (11) to an end	my soul
I want you to know	I'll hold on to this (27) you know, 'cause I'll
	bleed my heart out to show
	that I won't let go

- 1. nothing
