

Fill in the gaps

I don't (1) this moment to (2) end	With everything I won't let this go, these words are my
Where everything's nothing without you	(8) and soul
I'll wait here forever just to, to see you smile	I'll hold on to this moment you know, 'cause I'll bleed my heart
'Cause it's true, I am nothing without you	out to show
Through it all, I made my mistakes	And I won't let go
I (3) and fall, but I (4) these	In front of your eyes, it falls from the skies
words	When you don't know what you're looking to find
I want you to know	In front of your eyes, it falls from the skies
With everything I won't let this go, these words are my heart	When you just never know what you will find (what you will
and soul	find)
I'll (5) on to this moment you know, 'cause I'll bleed	I don't (9) this moment to ever end
my heart out to show	Where everything's nothing without you
That I won't let go	I want you to know
Thoughts read unspoken, forever in doubt	With everything I won't let this go, these words are my heart
Pieces of memories fall to the ground	and soul
I know what I didn't have so, I won't let this go	I'll hold on to this moment you know, 'cause I'll bleed my
'Cause it's true, I am nothing without you	(10) out to show
All the streets where I walked alone, with nowhere to go	that I won't let go (I want you to know)
have (6) to an end	With everything I won't let this go, these words are my soul
I (7) you to know	I'll hold on to this moment you know, 'cause I'll bleed my heart
	out to show
	that I won't let go
