

Fill in the gaps

| I don't wanna be the girl | But why do I feel (6) party's over? |
|---|---|
| Who laughs the loudest | No pain inside |
| Or the girl who never | You're like perfection |
| Wants to be alone | How do I feel this good sober? |
| I don't wanna be that call | I'm coming down, coming down |
| At 4 o'clock in the morning | Spinning 'round, spinning 'round, (7) |
| 'cause I'm the only one you know | 'round |
| In the world that won't be home | Looking for myself, sober |
| Ahh, the sun is blinding | I'm coming down, coming down |
| I stayed up again | Spinning 'round, spinning 'round, spinning 'round |
| Oohh, I am finding | Looking for myself, sober |
| That's not the way I want my story to end | When it's good, then it's good |
| I'm safe up high | It's so good till it (8) bad |
| Nothing can touch me | Till you're trying to find |
| But why do I (1) (2) party's over? | The you that you once had |
| No pain (3) | I have heard myself cry, "Never again" |
| You're my (4) | Broken down in agony |
| How do I feel this good sober? | Just trying to find a friend |
| I don't wanna be the girl | I'm safe up high |
| Who has to fill the silence | Nothing can touch me |
| The quiet scares me | But why do I feel this party's over? |
| Cause it screams the truth | No pain inside |
| Please don't tell me that | You're like perfection |
| We had that conversation | How do I feel this good sober |
| I won't remember, save your breath | I'm safe up high |
| 'cause what's the use? | Nothing can touch me |
| Ahh, the night is calling | But why do I (9) this party's over? |
| And it whispers to me softly, | No pain inside |
| "Come and play" | You're like perfection |
| Ahh, I am falling | How do I feel (10) good sober? |
| And if I let myself go | Will I ever feel this good sober? |
| I'm the (5) one to blame | Tell me, No no no no pain |
| I'm safe up high | How do i feel this good sober? |
| Nothing can touch me | |

- 1. feel
- 2. this
- 3. inside
- 4. protection
- 5. only
- 6. this
- 7. spinning
- 8. goes
- 9. feel
- 10. this
