

Fill in the gaps

I had to escape		
The city was sticky and cruel		
Maybe I should have (1) you first		
But I was dying to get to you		
I was dreaming while I drove		
The long straight road ahead, uh uh yeah		
Could taste your sweet kisses		
Your arms open wide		
This fever for you		
Is just burning me up inside		
I drove all night to get to you		
Is that alright?		
I (2) all night, crept in your room		
Woke you from your sleep		
To make love to you		
Is that alright? I drove all night		
What in this world		
Keeps us from falling apart?		
No (3)		
The (5) about our one heart		
I think about you		
When the night is (6) and dark, uh uh yeah		
No one can move me		
The way that you do		
Nothing erases (7) feeling		

Between me and you		
I drove all night to get to you		
Is that alright?		
I (8) all night, crept	in your room	
Woke you from your sleep		
To make love to you		
Is that alright? I drove all night		
I taste your sweet kisses		
Your arms open wide		
This fever for you		
Is just burning me up inside		
I drove all night to get to you		
Is that alright?		
I drove all night, crept in your roo	m	
Is that alright? I drove all night		
I drove all night to get to you		
Is that alright?		
I (9) all night, crept	in your room	
Is that alright?
