I Drove All Night by Celine Dion

I had to escape
The city was sticky and cruel
Maybe I (1)_____ have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead, uh uh yeah
Could taste your sweet kisses
Your arms open wide
This fever for you
Is just burning me up inside
I drove all night to get to you
Is that alright?
I drove all night, crept in (2)_____ room
Woke you from your sleep
To make love to you
Is that alright? I drove all night
What in this world
Keeps us (3)_____ falling apart?
No matter where I go, I hear
The (4)_____ about our one heart
I think about you
When the night is cold and dark, uh uh yeah
No one can move me
The way that you do
Nothing erases (5)_____ feeling

Between me and you
I drove all night to get to you
Is (6)_____ alright?
I drove all night, crept in your room
Woke you from your sleep
To make love to you
Is that alright? I drove all night
I taste your sweet kisses
Your arms open wide
This fever for you
Is just (7)_____ me up inside
I drove all night to get to you
Is that alright?
I drove all night, crept in your room
