I Drove All Night by Celine Dion

I had to escape

The city was sticky and cruel

Maybe I should have called you first

But I was dying to get to you

I was dreaming while I drove

The long straight road ahead, uh uh yeah

Could taste your sweet kisses

Your (1)_____ open wide

This fever for you

Is just burning me up inside

I drove all night to get to you

Is that alright?

I drove all night, crept in your room

Woke you from your sleep

To make love to you

Is that alright? I drove all night

What in (2)_____ world

Keeps us from falling apart?

No (3)_____ (4)_____ I go, I hear

The beating about our one heart

I think about you

When the night is cold and dark, uh uh yeah

No one can move me

The way that you do

Nothing erases this feeling

Between me and you

I drove all night to get to you

Is that alright?

Woke you from your sleep

To make love to you
