Complicated by Avril Lavigne

Fill in the gaps

Life's like this
Uh huh, uh huh
That's the way it is
'Cause life's like this
Uh huh, uh huh
That's the way it is
Chill out, what you yellin' for?
Lay back, it's all been (1) before
And if, you could only let it be
You will see
I like, you the way you are
When we're drivin' in your car
And you're, talkin' to me one on one
But you become
Somebody else
'Round (2) else
Your watchin' your back
Like you can't relax
You tryin' to be cool
You look like a fool to me
Tell me
Why'd you have to go and make things so complicated?
I see the way you're actin' (3) you're somebody
else
Gets me frustrated
Life's like this you

I see the way you're actin' like you're somebody else

You fall and you crawl and you break
And you take what you get, and you turn it into
Honestly, you promised me
I'm never gonna find you fake it
No no no

Ooh, chill out, what you yellin' for?
