Complicated by Avril Lavigne

Fill in the gaps

Uh huh	I see the way you're actin' (5) you're
Life's like this	(6) else
Uh huh, uh huh	Gets me frustrated
That's the way it is	Life's like this you
'Cause life's like this	You fall and you crawl and you break
Uh huh, uh huh	And you (7) what you get, and you turn it into
That's the way it is	Honestly, you promised me
Chill out, what you yellin' for?	I'm never gonna find you fake it
Lay back, it's all been done before	No no no
And if, you could only let it be	(No no no)
You (1) see	No no
I like, you the way you are	(No no no)
When we're drivin' in (2) car	No no
And you're, talkin' to me one on one	(No no no)
But you become	No no
Somebody else	Ooh, chill out, what you yellin' for?
'Round everyone else	Lay back, it's all been done before
Your watchin' your back	And if you could only let it be
Like you can't relax	You will see
You tryin' to be cool	Somebody else
You look like a fool to me	'Round everyone else
Tell me	Your watchin' your back
Why'd you have to go and make things so complicated?	Like you can't relax
I see the way you're actin' like you're somebody else	You tryin' to be cool
Gets me frustrated	You look like a fool to me
Life's like this you	Tell me
You fall and you crawl and you break	Why'd you (8) to go and make things so
And you take what you get, and you turn it into	complicated?
Honestly, you promised me	I see the way you're actin' like you're somebody else
I'm never gonna find you fake it	Gets me frustrated
No no no	Life's like this, you
You come over unannounced	You fall and you crawl and you break
Dressed up, like you're somethin' else	And you take what you get, and you turn it into
Where you are ain't where it's at you see	Honestly, you (9) me
You're makin' me	I'm (10) gonna find you fake it
Laugh out, when you strike a pose	No no
Take off, all (3) preppy clothes	Why'd you have to go and make things so complicated?
You know, you're not foolin' anyone	(Yea yea)
When you become	I see the way you're actin' like you're somebody else
Somebody else	Gets me frustrated
'Round everyone else	Life's like this you
Your watchin' (4) back	You fall and you crawl and you break
Like you can't relax	And you take what you get, and you turn it into
You tryin' to be cool	Honestly, you promised me
You look like a fool to me	I'm never gonna find you fake it
Tell me	No no no
Why'd you have to go and make things so complicated?
