With his same old safe bet	I died a hundred times
Me and my head high and my tears dry	You go back to her
Get on (1) my guy	And I go back to
You went back to what you knew so far removed	Black, black, black
From all that we went through	Black, black, black

I'll go back to black	We (7) (8) goodbye with words
We only said (3) (4) words	I died a hundred times
I died a hundred times	You go back to her
You go back to her	And I go back to
And I go back to, I go back to us	We only said (9) (10) words
I love you much, it's not enough	I died a hundred times
You love **** and I love puff	You go back to her
And life is (5) a pipe	And I go back to black
And I'm a tiny penny rolling up the walls inside	
We only said goodbye with words	
I died a hundred times	
You go back to her	
And I go back to
