Fill in the gaps

He left no time to regret, kept his **** wet	We only said goodbye with words
With his same old (1) bet	I died a hundred times
Me and my (2) (3) and my tears dry	You go back to her
Get on without my guy	And I go back to
You went back to what you knew so far removed	Black, black, black
From all that we (4) through	Black, black, black
And I tread a troubled track, my odds are stacked	I go back to
I'll go back to black	I go back to
We only said goodbye with words	We only said goodbye with words
I died a (5) times	I died a hundred times
You go (6) to her	You go back to her
And I go back to, I go back to us	And I go back to
I love you much, it's not enough	We (8) (9) goodbye with words
You love **** and I love puff	I died a hundred times
And life is like a pipe	You go back to her
And I'm a tiny (7) rolling up the walls inside	And I go (10) to black
We only said goodbye with words	
I died a hundred times	
You go back to her
