

## Fill in the gaps

Remember the reelings, (1) the day	But after some time you just pushed me aside
My stone heart was breaking	You (5) thought (6) a girl could be
My love ran away	strong
This moments I knew I would be someone else	Now I'll show you how to go on
My love turned around and I fell	Be my bad boy, be my man
Be my bad boy, be my man	Be my week-end lover
Be my week-end lover	But don't be my friend
But don't be my friend	You can be my bad boy
You can be my bad boy	But understand
But understand	That I don't (7) you in my life again
That I don't need you in my life again	Won't you be my bad boy, be my man
Won't you be my bad boy, be my man	Be my week-end lover
Be my week-end lover	But don't be my (8)
But don't be my (2)	You can be my bad boy
You can be my bad boy	But (9)
But understand	That I don't need you again
That I don't need you (3)	No I don't need you again
No I don't need you (4)	
You once made this promise	
To stay by my side	

- 1. remember
- 2. friend
- 3. again
- 4. again
- 5. never
- 6. that
- 7. need
- 8. friend
- 9. understand
