

## Fill in the gaps

| Remember the feelings, (1)           | the day      | But af  |
|--------------------------------------|--------------|---------|
| My stone heart was breaking          |              | You ne  |
| My love ran away                     |              | Now I   |
| This moments I (2) I would be        | someone else | Be my   |
| My (3) turned (4)                    | and I fell   | Be my   |
| Be my bad boy, be my man             |              | But do  |
| Be my week-end lover                 |              | You ca  |
| But don't be my friend               |              | But un  |
| You can be my bad boy                |              | That I  |
| But understand                       |              | Won't   |
| That I don't need you in my life (5) |              | Be my   |
| Won't you be my bad boy, be my man   |              | But do  |
| Be my week-end lover                 |              | You ca  |
| But don't be my (6)                  |              | But un  |
| You can be my bad boy                |              | That I  |
| But understand                       |              | No I de |
| That I don't need you (7)            |              |         |
| No I don't need you again            |              |         |
| You once made this promise           |              |         |
| To stay by my side                   |              |         |
|                                      |              |         |

fter some time you just pushed me aside never (8)\_\_\_\_\_ \_ that a girl could be strong I'll show you how to go on y bad boy, be my man y week-end lover on't be my friend can be my bad boy nderstand don't need you in my life again you be my bad boy, be my man y week-end lover on't be my (9)\_ can be my bad boy nderstand don't need you again don't need you again
