

And she will be loved

## Fill in the gaps

Beauty queen of (1) eighteen	And she will be loved
She had some trouble with herself	And she will be loved
He was always there to help her	And she will be loved
She (2) belonged to (3)	I know where you hide alone in your car
else	Know all of the things that make you who you are
I drove for miles and miles	I know that goodbye means nothing at all
And wound up at your door	Comes back and begs me to catch her every time she falls,
I've had you so many times	yeah
But somehow I want more	Tap on my window knock on my door
I don't mind (4) every day	I want to make you feel beautiful
Out on your corner in the pouring rain	I don't mind spending every day
Look for the girl with the broken smile	Out on your corner in the pouring rain
Ask her if she wants to (5) awhile	Look for the girl with the broken smile
And she will be loved	Ask her if she wants to stay awhile
And she will be loved	And she will be loved
Tap on my (6) (7) on my door	And she will be loved
I want to make you feel beautiful	And she will be loved
I know I tend to get so insecure	(Please don't try so hard to say goodbye)
It doesn't matter anymore	And she will be loved
It's not always rainbows and butterflies	Please don't try so hard to say goodbye
It's compromise that moves us along, yeah	Please don't try so hard to say goodbye
My heart is (8) and my door's always open	(I don't mind spending (9) day)
You come anytime you want	(Out on your corner in the pouring rain)
I don't mind spending every day	Please don't try so hard to say goodbye
Out on your corner in the pouring rain	
Look for the girl with the broken smile	
Ask her if she wants to stay awhile
