

## Fill in the gaps

Beauty queen of (1) eighteen	And she will be loved
She had some trouble with herself	And she will be loved
He was always there to (2) her	And she will be loved
She (3) belonged to someone else	I know where you hide alone in your car
I (4) for miles and miles	Know all of the things that (11) you who you are
And wound up at (5) door	I (12) that goodbye (13) nothing at all
I've had you so many times	Comes (14) and begs me to catch her every time
But somehow I want more	she falls, yeah
I don't mind (6) every day	Tap on my window (15) on my door
Out on your corner in the pouring rain	I want to (16) you feel beautiful
Look for the girl with the broken smile	I don't mind (17) (18) day
Ask her if she wants to stay awhile	Out on (19) in the
And she will be loved	(21) rain
And she will be loved	Look for the girl with the broken smile
Tap on my window knock on my door	Ask her if she wants to stay awhile
I want to make you feel beautiful	And she will be loved
I know I tend to get so insecure	And she will be loved
It doesn't matter anymore	And she will be loved
It's not (7) rainbows and butterflies	(Please don't try so hard to say goodbye)
It's compromise that moves us along, yeah	And she will be loved
My (8) is full and my door's always open	Please don't try so hard to say goodbye
You come anytime you want	Please don't try so hard to say goodbye
I don't (9) spending every day	(I don't mind spending (22) day)
Out on your corner in the pouring rain	(Out on your (23) in the pouring rain)
Look for the girl with the (10) smile	Please don't try so hard to say goodbye
Ask her if she wants to stay awhile	
And she will be loved
