My Immortal by Evanescence

Fill in the gaps

'm so tired of being here, suppressed by all my childish fears
And if you have to leave, I wish that you would just leave
Your presence still lingers here and it won't leave me alone
These wounds won't seem to heal, this (1) is just too real
There's just too much that (2) cannot erase
When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of me
You used to captivate me by (3) resonating light
Now, I'm bound by the life you left behind
Your face it haunts my once (4) dreams
Your voice it chased away all the sanity in me
These wounds won't seem to heal, this pain is just too real
There's (5) too much that time cannot erase
When you cried, I'd (6) away all of your tears
When you'd scream, I'd fight away all of your fears
And I (7) your hand through all of these years
But you (8) all of me
I've tried so hard to tell myself that you're gone
But (10) you're still with me, I've been alone all along
When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of me
