Sk8er Boi by Avril Lavigne

Fill in the gaps

He was a boy				
She was a girl				
Can I (1) it any more obvious?				
He was a punk				
She did ballet				
What more can I say?				
He wanted her				
She'd (2) tell				
Secretly she wanted him as well				
But all of her friends				
Stuck up their nose				
And they had a problem				
With his baggy clothes				
He was a (3) boy				
He was a (3) boy She said, " See you (4) boy"				
She said, " See you (4) boy"				
She said, " See you (4) boy" He wasn't good enough for her				
She said, " See you (4) boy" He wasn't good enough for her She had a pretty face				
She said, " See you (4) boy" He wasn't good enough for her She had a pretty face But her (5) was up in space				
She said, " See you (4) boy" He wasn't good enough for her She had a pretty face But her (5) was up in space She needed to (6) back				
She said, " See you (4) boy" He wasn't good enough for her She had a pretty face But her (5) was up in space She needed to (6) back				
She said, " See you (4) boy" He wasn't good enough for her She had a pretty face But her (5) was up in space She needed to (6) back Down to earth				
She said, " See you (4) boy" He wasn't good enough for her She had a pretty face But her (5) was up in space She needed to (6) back Down to earth 5 years (7) now				
She said, "See you (4) boy" He wasn't good enough for her She had a pretty face But her (5) was up in space She needed to (6) back Down to earth 5 years (7) now She sits at home

Guess who she sees

Fill in the gaps

She calls up her friends				
They (8) know				
And they've all got				
Tickets to see his show				
She (9) along				
Stands in the crowd				
Looks up at the man				
That she turned down				
He was a skater boy				
She said, "See you later boy"				
He wasn't good enough for her				
Now he's a super star				
Slamming on his guitar				
Does your pretty face				
See what he's worth?				
He was a skater boy				
She said, "See you later boy"				
He wasn't good (10) for her				
Now he's a super star				
Slamming on his guitar				
Does (11) pretty face				
See what he's worth?				
Sorry (12) but you missed out				
Well tough luck that boy's mine now				

We are more than just good friends
