Uptown girl		
She's been living in her (1)	world	And when she's walking
I bet she never had a back street guy		She's looking so (8)
I bet her mama never told her why		And when she's talking
I'm gonna try for an uptown girl		She'll say that she's mine
She's been living in her white bread world		She'll say I'm not so tough
As long as anyone with hot blood can		Just because
And now she's (2) for a	downtown man	I'm in love
That's what I am		With and uptown girl
And (3) she knows what		She's been living in her white bread world
She (4) from her time		As long as anyone with hot blood can
And when she wakes up		And now she's looking for a downtown man
And makes up her mind		That's what I am
She'll see I'm not so tough		Uptown girl
Just because		She's my uptown (9)
I'm in love with an uptown girl		You know I'm in love
You know I've seen her in her (5)	world	With an uptown girl
She's getting tired of her high class toys		My uptown girl
And all her presents from her (6)	boys	Don't You know I'm in love
She's got a choice		With an uptown girl
Uptown girl		My uptown girl
You know I can't afford to buy her pearls		Don't You know I'm in love
But (7) someday when my ship comes in		With an uptown girl
She'll understand what kind of guy I've been		My uptown girl
And then I'll win
