

Fill in the gaps

My name is Luka	Well, if you ask that's (11) I'll say
I (1) on the second floor	And it's not (12) (13) anyway
I live upstairs (2) you	I guess I'd like to be alone
Yes I think you've (3) me before	With nothing broken, nothing thrown
If you hear something late at night	Just don't ask me how I am [X3]
Some (4) of trouble. some (5) of fight	My (14) is Luka
Just don't ask me what it was	I (15) on the (16) floor
Just don't ask me (6) it was	I (17) upstairs from you
Just don't ask me what it was	Yes I think you've (18) me before
I (7) it's because I'm clumsy	If you hear something (19) at night
I try not to talk too loud	Some kind of trouble, some kind of fight
Maybe it's because I'm crazy	Just don't ask me (20) it was
I try not to act too proud	Just don't ask me what it was
They only hit until you cry	Just don't ask me what it was
After that you don't ask why	And (21) (22) hit (23) you
You (8) don't (9) anymore	cry
You just don't (10) anymore	After that, you don't ask why
You just don't argue anymore	You just don't (24) anymore
Yes I think I'm okay	You just don't (25) anymore
I walked into the door again	You just don't argue anymore
