

Fill in the gaps

On the first part of the journey	La la la la la
I was looking at all the life	La la la la la
There were (1) and (2) and	La la la la la
rocks and things	La la la la la
There was sand and (3) and rings	After nine days I let the horse run free
The first thing I met was a fly with a buzz	'Cause the desert had turned to sea
And the sky (4) no clouds	There were plants and birds and rocks and things
The (5) was hot and the ground was dry	There was sand and hills and rings
But the air was full of sound	The ocean is a desert (16) it's life underground
I've (6) through the desert on a (7)	And a perfect disguise above
(8) no name	Under the cities lies a heart made of ground
It felt good to be out of the rain	But the humans will give no love
In the desert you can remember your name	You see I've been (17) the
'Cause (9) ain't no one for to give you no pain	(18) on a horse with no name
La la la la la	It felt good to be out of the rain
La la la la la	In the desert you can (19) your name
La la la la la	'Cause (20) ain't no one for to give you no pain
La la la la la	La la la la la
After two (10) in the (11) sun	La la la la la
My skin (12) to turn red	La la la la la
After (13) days in the desert fun	La la la la la
I was looking at a river bed	
And the story it (14) of a river that flowed	
Made me sad to think it was dead	©WARNER/CHAPPELL MUSIC LTD
You see I've been through the desert on a horse with no name	
It felt (15) to be out of the rain	
In the desert you can remember your name	
'Cause there ain't no one for to give you no pain
