## Fill in the gaps

INSTRUMENTAL		CHORUS:	
Your hand (1) in	mine	I won't let these (6)	things
Like it's made just for me		Slip out of my mouth	
But bear this in mind		but if it's true	
It was meant to be		It's you	
And i'm joining up the dots		Oh it's you	
With the freckles on your cheeks		They add up to	
And it all makes sense to me		I'm in (7) with you	
I know you've never loved		And all (8) little things	
The crinkles by your eyes		You'll never love (9)	
When you smile,		Half as much as I love you	
You've never loved		You'll never treat yourself right darlin'	
Your stomach or your thighs		But i want you to	
The dimples in your back		If i let you know	
At the bottom of your spine		I'm here for you	
But i'll love them endlessly		Maybe you'll love yourself like i love you	
CHORUS:		Oh	
I won't let these little things		I've just let these little things	
Slip out of my mouth		Slip out of my mouth	
But if i do		Because it's you	
It's you		Oh it's you	
Oh it's you		It's you	
They add up to		They add up to	
I'm in love with you		And i'm in love you	
And all these little things		And all these little things	
You (2) go to bed		I won't let these little things	
Without a cup of tea		Slip out of my mouth	
And maybe that's the reason		But if it's true	
That you talk in your sleep		It's you	
And all those conversation		It's you	
Are the (3)	_ that I keep	They add up to	
Though it makes no sense to me		I'm in love with you	
I know you've never loved the sound of your voice tape		And all (10) little th	ings
You know want to know ho	ŭ		
You still (4) to se	queeze into your jeans
